Kalikal Sarvagna Hemchandracharya

The University is named Hemchandracharya North Gujarat University to honour the world famous Jain Acharya and Scholar Kalikal Sarvagna Hemchandracharya who had been the writer of Siddhahem Shabdanusashan, a treatise on grammar, during the reign of king Siddhraj Jaysinh in the 12th century. The celebrated Hemchandracharya, a pupil of Devchandrasuri, was one of the most versatile and prolific writers, who worked in the most varied domains, both as a poet and a scholar. It was due to him that Gujarati became a main stronghold of the Svetambara Jains, and that Jain literature flourished so exceedingly in the 12th and the 13th centuries.

Hemchandracharya was not only the author of Jainistic literature, but in addition, he provided Gujarat with important text-books in secular branches of learning such as grammar, lexicography, poetics and metrics. His great learning and scholarship earned him the title Kalikal Sarvagna - "The Omniscient of the Kaliage." Born in Dhandhuka in 1089 A.D. as Changdev, son of pious Jain parents, he took his diksha as a Jain monk from his Guru Devchandrasuri. As a Jain teacher, he spent the greater part of his life in Patan, the then Capital of Gujarat.

યુનિવર્સિટી ગીત

અમે ઉત્તર ગુર્જરવાસી,
અમે જ્ઞાનતેજના પ્યાસી.

સપનાં સરજી સાર્થક કરવા પૃથ્વીપટે અભ્યાસી,
વિરાટ વિશ્વને અંતર ધરવા સતત જ્ઞાન-અભિલાષી.

આનર્તે આ વિદ્યાધામે સરસ્વતી સહવાસી,
પાવનકારી શુચિસ્મિતાના વિદ્યાપીઠ નિવાસી.

અમે પટ્ટનપુરના વિદ્યાપીઠના જ્ઞાનપિપાસુ છૈયા,
રક્ષણ કરતી પાવન કરતી સરસ્વતી તું મૈયા !

જ્ઞાનદીપથી ઉજજવલ કરશું લોક-લોકનાં હૈયાં,
હતી લુપ્ત તે થઈ સજીવન, પાર કરો અમ નૈયા.

MESSAGE FROM THE VICE-CHANCELLOR

The year 2021-22 had been comparatively less troublesome compared to two previous years when we saw the occurrence of the dreaded epidemic COVID-19. The Government of BHARAT had played pivotal role in the development of corona vaccine and our country men were also prompt in taking the vaccine. The damage caused due to corona to our country is much less compared to many other countries. Further, BHARAT has demonstrated its belief in "[वसुधैव कुटुम्बकम्](#)" by supplying has supplied corona vaccines to more than 90 countries.

National Education Policy-2020 has heavily relied upon holistic educational road map. Recently, the presidency of G-20 has been given to BHARAT. Economy growth of our country is at the fifth position of the whole world. On a path of 5 trillion dollar economy, another example of victory of our scientists at ISRO is tremendous. In all, The growth of our country is by leaps and bounds and now we can visualize our potential in becoming Vishwa Guru "[वश्वि गुरु](#)".

Most significant development in this year 2021-22, is the establishment of student facility center (admin building) alongwith academic activities in the field of natural/organic farming. A very significant advance science lecture series has been started which includes quite useful scientific deliberations from nationally and internationally renowned scientists. In order to encourage faculty members, a special drive had been initiated in the form of HNGU research grants and research oriented faculty members have happily participated. The newly constructed building for the department of Physics is on the verge of completion and it is expected to begin academic activities in the next year 2023-24.

University has taken up many new initiatives for the welfare of its stake holders. It is necessary to note various insurance schemes and examination reforms at this moment. A fortnightly newsletter, "Udichya" now incorporates the deliberations of experts who delivered informative lectures on various time-relevant subjects. HNGU published three books recently, their areas are (1) Contribution of North Gujarat in freedom fight (2) lectures by eminent literature laureates and newly developing archeological site near Taranga (3) Vegetation of medicinal significance in the campus. (Coffee table book)

At the outset of publication of 36th Annual Report of the University, I must acknowledge the services of the faculty and administrative staff together in achievement of new heights. A special remember to our notable alumini Lt. Dr. Ashaben Patel who also served a state as a Member of Legislative Assembly for two terms. Govt. of Gujarat has paid tribute to her in the form of "Dr.Ashaben Patel" Science College, Unjha in her memory.

Finally, I express my best wishes to all "Uttar-Gujar-Vasi".

Dr. Rohit N. Desai

2. A Brief History of the University

The V.V.John Committee was appointed by Government of Gujarat in April, 1973 to review the status of higher education and establish new universities. Following the recommendations of the committee, the North Gujarat University has been established by North Gujarat University Ordinance (Gujarat Ordinance No.5 of 1986, dated 17-05-1986). The Ordinance was later converted into an Act, passed by Gujarat Legislative Assembly on 29-08-1986 as North Gujarat University Act (No.22 of 1986, dated 10-09-1986). This University has now been renamed as Hemchandracharya North Gujarat University (by Gujarat Act No.2 of 2003 dated 01-03-2003), to honour the great philosopher, thinker and Jain acharya Hemchandracharya Suri, who made valuable contribution to the studies in grammar, literature, religion and philosophy.

The jurisdiction of the University covers five districts Viz., Patan, Mehsana, Banaskantha, Sabarkantha and Aravalli and caters to cultural and educational needs of this region

There are 15 post graduate departments, 02 constituent colleges, and 07 centers on campus. Number of affiliated colleges 612 with 80 new colleges during the year. The University was Re-Accredited with "A" Grade, CGPA of 3.02 by "NAAC" in 2016.

This symbolizes that curriculum are well designed and revised regularly to meet with recent developments and professional needs.

The University has beautiful, well planned and lovely campus spread over 221 acres of land with facilities of Central Library, Computer center, Hostels for Boys&Girls, Well developed Sport complex, Health center, Canteen, Post Office and Bank. The campus life has a blend of rural to urban style, learning with research aptitude and dynamic curricular and co-curricular activities adding more colours to the students' life.

Emblem of the University

The emblem of the University contains a picture of Saraswati framed in a Gavaksha or Niche. Devi Saraswati, traditionally representing learning, is depicted after a painting in the old Prakrit manuscript of Dash-Vaikalik. The design of Gavaksha, simple and elegant, is adopted from the excavation of "Rani Ki Vav" in Patan.

The emblem thus recalls the ancient art and culture of Gujarat at the peak of its glory centuries ago, when Patan was a great center of learning.

The motto invokes divine blessings of sacred knowledge. It also relates to the Saraswati, the holy Vedic Kumari River on the bank of which the University is located and which symbolizes an endless flow of ever growing knowledge.

INTRODUCTION OF NSS

History and Growth of NSS :

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again was that they should always keep before them, their social responsibility. The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society. Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do "something positive so that the life of the villagers might be raised to a higher material and moral level".

The post-independence era was marked by an urge to introduce social service for students, both as a measure of educational reform and as a means to improve the quality of educated manpower. The University Grants Commission headed by Dr. Radhakrishnan recommended the introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

The idea was again considered by the Central Advisory Board of Education (CABE) at its meeting held in January, 1950. After examining the various aspects of the matter and in the light of experience of other countries in this field, the Board recommended that students should devote some time to manual work on a voluntary basis and that the teachers should also associate with them in such work. In the draft First Five-Year Plan adopted by the Government

of India in 1952, the need for social and labour service for students for one year was further stressed. Consequent upon this, labour and social service camps, campus work projects, village apprenticeship scheme etc., were put into operation by various educational institutions. In 1958, the then Prime Minister Pandit Jawaharlal Nehru in his letter to the Chief Ministers mooted the idea of having social service as a prerequisite for graduation. He further directed the Ministry of Education to formulate a suitable scheme for introduction of national service into the academic institutions.

In 1959, a draft outline of the scheme was placed before the Education Minister's Conference. The Conference was unanimous about the urgent need for trying out a workable scheme for national service. In view of the fact that education as it was imparted in schools and colleges, left something to be desired and it was necessary to supplement it with programmes which would arouse interest the social and economic reconstruction of the country. It was viewed that if the objectives of the scheme were to be realized, it was essential to integrate social service with the educational process as early as possible. The Conference suggested the appointment of a committee to work out details of the proposed pilot project. In pursuance of these recommendations, a National Service Committee was appointed under the Chairmanship of Dr. C.D. Deshmukh on August 28, 1959 to make concrete suggestions in this direction. The committee recommended that national service for a period of nine months to a year may be made compulsory for all students completing high school education and intending to enroll themselves in a college or a university. The scheme was to include some military training, social service, manual labour and general education. The recommendations of the Committee could not be accepted because of its financial implications and difficulties in implementation.

NSS – BASIC CONCEPTS:

The overall aim of National Service Scheme as envisaged earlier, is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. The reason for the formulation of this objective is the general realization that the college and +2 level students have a tendency to get alienated from the village/slum masses which constitute the majority of the population of the country. The educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are indifferent towards their needs and problems. Therefore it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums. It is felt that their interaction with the common villagers and slum dwellers will expose them to the realities of life and bring about a change in their social perception.

Objectives:

The broad objectives of NSS are to:

- (i) Understand the community in which they work
- (ii) Understand themselves in relation to their community;
- (iii) Identify the needs and problems of the community and involve them in problem solving process;
- (iv) Develop among them a sense of social and civic responsibility;
- (v) Utilize their knowledge in finding practical solution to individual and community problems;
- (vi) Develop competence required for group living and sharing of responsibilities;
- (vii) Gain skills in mobilizing community participation;
- (viii) Acquire leadership qualities and democratic attitude;
- (ix) Develop capacity to meet emergencies and natural disasters and
- (x) Practice national integration and social harmony.

The Motto :

The motto or watchword of the National Service Scheme is: 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

NSS Symbol :

The symbol of the National Service Scheme, as appearing on the cover page of this Manual is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the

symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

NSS Badge :

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme of community service. The Konark wheel in the symbol has eight bars which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours. The red colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS Day :

NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

NSS Song :

During Silver Jubilee Year the NSS theme song has been composed. All NSS volunteers are expected to learn the theme song and sing the song during NSS programmes and celebrations. The theme song cassette is available and the theme song is given in the end of the Manual.

For help of women, there are many laws, but successful implementation is possible with help of young people like students. C, Prof. J. J. Vora, Shri Neelam Didi, Bhramkumaris Patan, Dr. Rohit Desai, Registrar, HNGU, Mr. Sarvanand Joshi, Father Domnik Sabio and Prof. Sangita Sharma.

Shri Neelam Didi, Bhramkumaris Patan, as guest of honor talked about on Yoga was described as a way to control the mind or leash the monkey, in other words. Yoga, meaning union or connection, can be an important spiritual tool for social inclusion as it has an effect on our behavior. One of the main aspects of yoga mentioned by our speakers was that of meditation as this has a positive effect on our attitudes and interactions with each other. Yoga, is needs of the souls are the same, feelings of souls are the same. When we position ourselves to see the soul within, it becomes easier to see ourselves as brothers. Only then we can go beyond the external differences, which then makes inclusion possible.

Mr. Sarvanand Joshi, Astrologer from HNGU, He talked about Gyatri Parivar. Gayatri Pariwar is a living model of a futuristic society, being guided by principles of human unity and equality. It's a modern adoption of the age-old wisdom Five basic principles i.e. (i) fasting (ii) abstention from sex (iii) self- service (iv) sleeping on ground (v) refraining from leather-ware like shoes etc., are to be followed. The effect of sincere and steadfast Gayatri Sadhana is swift and miraculous in purifying, harmonizing and steadying the mind and thus establishing

unshakable inner peace and a sense of joy-filled calm even in the face of grave trials and tribulations in the outer life of the Sadhak.

Father Domnik Sabio was guest of honor of the program. Inclusive Christianity, also called inclusive theology, is an interpretation of the Bible that maintains that God desires and has the power to save individuals irrespective of the tradition in which they are born. Some Christians who hold to inclusive theology make a distinction between Christians and believers. "We are the body of Christ, and each one of us is a part of it," Paul writes the Corinthians. And as a part of the body, we have responsibilities — responsibilities to respect and encourage the other parts as we carry out the individual work God has called each of us to do. In Christianity, Social Responsibility is a faith-based obligation to meet societal needs through the demonstration of love that positively impacts communities and individuals. Every leader is a dreamer but you need to paint the picture of what you see. Social inclusion is the process of improving the terms on which individuals and groups take part in society— improving the ability, opportunity, and dignity of those disadvantaged on the basis of their identity.

Dr. Rohit Desai, Registrar of our university talked social inclusion is the right thing to do, and it also makes good economic sense. Left unaddressed, the exclusion of disadvantaged groups can be costly. At the individual level, the most commonly measured impacts include the loss of wages, lifetime earnings, poor education, and employment outcomes. Govt is working hard to manage inclusiveness.

Prof. J J. Vora, president of function explained university is moving ahead to make university inclusive for all strata of students.
